

Emerging Pathogens Preparedness and Response Conference

MeadowView Conference Resort and Convention Center
1901 Meadowview Parkway, Kingsport

Thursday, May 18 | 8 a.m.-4:30 p.m.

Join national experts in the field as they provide global, national and local updates, lessons learned from the past and future considerations. Keynote speakers include Gavin Macgregor Skinner, Senior Director of Global Biorisk Advisory Council at ISSA, the worldwide cleaning industry association, and Jill Morgan, a frontline ICU and special pathogens treatment center nurse at Emory Healthcare in Atlanta.

CMEs and CNEs will be available.

Participants: Nurses, physicians, EMS, public health, lab, infection preventionists, LTC and other medical professionals

**This is a free event. Please register by
Friday, May 5, at www.balladhealth.org/EPC**

Ballad Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
